

STATEMENT FROM THE CEO OF DISCOVER PUERTO RICO, BRAD DEAN

For Discover Puerto Rico, the health and safety of our visitors, employees and industry partners is a priority for us. Yesterday, the Governor of Puerto Rico, Hon. Wanda Vázquez Garced, requested the suspension of all events on the Island until March 31st due to the current situation with COVID-19; therefore, we have decided to postpone all the events we had planned for March as a precautionary measure.

The Q2 Industry Update Meeting that was scheduled for March 19th, 2020, has been rescheduled for April 28th, 2020 at La Concha Hotel, starting at 8:00am. All parties registered for this meeting do not need to re-register for the new date. We hope to welcome you and share with you with all the valuable information that will be provided in our upcoming Industry Update Meeting.

The three Industry Workshops, in San Juan, Caguas and Cabo Rojo, that were going to take place from March 23 to March 26, and the Industry Roundtable in Culebra scheduled for March 31st have also been postponed. The new dates will be announced shortly. All registered partners will be contacted directly with the new dates and additional information.

The Discover Puerto Rico team is also working with tourists, tour operators and meeting planners to offer them guidance about what is happening in the island and sharing with them the most up to date information provided by the government and health authorities. We are focused on protecting the tourism sector and the economy of Puerto Rico and we will do everything in our hands to comply with this task.
